Property Description

This development is a gated residential complex of fifty six two, three and four-bedroomed homes, distributed in low-rise buildings that will be built on two adjacent plots of land. Original and innovative design blends in perfectly with exceptionally attractive natural surroundings.

The complex also features three impressive communal swimming pools, private gymnasiums in both areas, incredible gardens overlooking the golf course and stunning sea views throughout. Everything in the complex is designed around the creation of spaces that provide the peace and tranquillity you are looking for in the area. Thanks to its carefully designed layout, you can choose the perfect orientation for your home.

Whatever your preference, whether spectacular sunrises or panoramic Mediterranean views or sunsets and long summer evenings, this development is your best choice.
