Property Description

This huge ground-floor property in the newly built Artola Homes II, Cabopino, has so much to offer.

Firstly, it's exceptionally spacious—with 4 bedrooms (potentially 5, thanks to the large converted basement of 70m² with natural light and bathroom), totaling more than 200m² built and over 177m² of outdoor space. The main floor alone features 4 bedrooms and 3 bathrooms.

Secondly, it boasts an unbeatable location, both within the complex and the surrounding area: direct access to the pool, a short stroll to the gym, and easy walking distance to Da Bruno's and Cabopino Golf. Additionally, Malaga Airport is only 30 minutes away and Marbella just 15 minutes.

Thirdly, luxury is found throughout the property. No expense has been spared, from high-quality fixtures and fittings, including curtains, blinds, lighting, ceiling fans, and carefully selected additions like an extra bathroom and fireplace. Every detail has been thoughtfully designed and executed.
