The apartment has been completely renovated to a high standard, including all electrical and plumbing installations, designer bathrooms with underfloor heating, a modern kitchen with Siemens appliances, large-format porcelain tile floors from the prestigious Porcelanosa brand, and two spacious bedrooms. It has two terraces, one at the level of the living/dining room and open-plan kitchen and another on the solarium floor with unbeatable sea views and absolute privacy. The second bedroom and its bathroom are located one floor below and offer total privacy, electric blinds, and plenty of storage space.

The interiors have been carefully selected by one of the most prestigious interior design studios on the Costa del Sol and complemented by custom-made pieces. No detail has been overlooked; each space has been carefully designed to be useful, comfortable, and special.
