Casa Luna is in one of the best streets in Marbellamar. The beach is 100 meters from the front door and across the road is a park which ensures both privacy and peace and quiet. Parking is normally possible in the street but there are private, barrier protected roads within Marbellamar to which our guests have access and where parking spaces are always available. To the east and within easy walking distance along the Paseo Marítimo (beach promenade) is the port and old town of Marbella with its' traditional bars and restaurants and to the west is the world famous Marbella Club. A little further on is the Puente Romano Hotel and Spa, undoubtedly the most fashionable area of Marbella and here you can chill out and relax or rub shoulders with the rich and famous depending on your mood. Puerto Banús is a little further on. There is no need for a car if you come to Casa Luna, there are dozens of excellent restaurants and bars within a five minute walk of the front door and Casa Luna is within five hundred meters of three of the best restaurants on the coast. There are four supermarkets within seven minutes of the property and guests are quite simply spoiled for choice when it comes to local amenities.

For those seeking active leisure pursuits there is a host of activities on offer ranging from water sports, cable ski, para-sailing, wind and kite surfing, dolphin safaris and boat charters through to horse riding and of course golf which you can play on any one of the dozens of excellent courses on the coast.
