Works can start almost immediately with the license that is in place and the build should take around 13 months, although the contract will be for 15 months to account for any unforeseen circumstances.

Campo Mijas and its surrounding areas seem to be enjoying a massive uplift in value with the current boom in the Spanish property market. Decent real estate in the area doesn't stay on the market for very long.

A flexible payment schedule can be arranged between the new owners and the project manager. Bank guarantees and insurances are in place providing additional security for the buyer throughout the building process.

Please don't hesitate to get in touch for more information and viewings.....this opportunity will not be on the market for very long.
