Property Description

Modern five bedroom, southwest facing villa in Carib Playa, with stunning open sea views and only 700 metres from the beach and close to a variety of amenities, including beach clubs, restaurants, and beach bars. The property was designed by the well known local architect Carlos Lamas and offers comfortable accommodation over four levels, including basement and solarium. The entrance level comprises a guest toilet, lounge/dining room with open plan kitchen fully fitted and equipped with Gaggenau appliances and central island. The lounge leads out to the semi covered terrace with swimming pool and generous areas for sunbathing, al fresco dining and entertainment. The upper floor houses three bedroom suites all with access to the open terrace with sea views. In addition the master bedroom features a fireplace, bathtub and shower. In the basement there are two more bedrooms and a lounge with bar area. Laundry and guest toilet are also here. Solarium with panoramic and sea views offers jacuzzi and plenty of space for development at buyer's taste. The house has elevator shaft done from the basement to the second floor.
