€ 30,668 IBI

Property Description

This unique 9-bedroom villa for sale is located in Cerros del Aguila. Surrounded by tropical greenery and located on the top of Cerros del Aguila.

The house is set on a 2279m² plot that is covered in greenery, but it also includes 3 large plots with over 5 hectares with green areas offering a great opportunity for investors.

If all sold together: 7,000,000 €

The house: 4,500,000 €

Residential plot: 2,500,000 €

Commercial land: 1,000,000 €

It is south-facing and offers a 360-view over the Mediterranean Sea and the Mijas mountains. As you enter the home you will be greeted by a Moroccan-styled design that flows throughout the whole house. The expansive living room offers plenty of space to relax in.

The house is laid out on 5 floors. The ground floor is where the kitchen and living room can be found as well as 3 bedrooms with en-suite bathrooms, a gym and an office.

Outside is where you can find two waterfalls one of them runs into the pool and the other one runs into a river that flows throughout the garden. Behind this waterfall is where you can find a secret bar room.

At the back of the garden there is a small stable and a little riding pitch.

The property is an investment opportunity.

The main house can be used as a clubhouse and the neighbouring plots have many options.

There is a helipad for this property.
