Property Description

Ideally located in the prestigious New Golden Mile of the Costa del Sol, this attractive boutique collection of 15 private four bedroom villas promises a life of luxury and tranquility.

Each house has a contemporary design, accentuated with natural materials, conveniently located near the elegant marina of Puerto Banus and the exclusive coastal town of Marbella. The Twin Senses Villas offer the perfect environment for a modern and exclusive life.

Spacious, airy and comfortable, the villas are conceived in two large volumes, placed one on another, which ingeniously seem to slide and overlap, creating cozy porches and shaded terraces. Its design, based on wooden panels on the sides, allows large windows that maximize natural light and views.

With a contemporary aesthetic, the houses have large enveloping terraces and natural wood finishes, connecting perfectly with the surrounding landscape and taking advantage of the interior-exterior lifestyle so representative of southern Spain.

The open layout guarantees a fluid movement through space, adding the stunning windows that flood the areas of being of natural light, each look framed a unique view of the gardens.

In addition, avant-garde design prioritizes sustainable well-being, with technology and techniques incorporated to minimize water consumption, in addition to the use of renewable energies, providing a healthy living environment.
