Property Description

La Vela features a comfortable main house and a separate guest house. The main residence opens with a spacious entry hall leading to a living room with a fireplace that flows into a TV room with terrace access and great views. A large dining room with its own fireplace connects to a casual dining area and a well-equipped kitchen with a breakfast nook, extra fireplace, and pantry, from which you can access a staff apartment complete with a sitting area, small kitchen, and bedroom with a bathroom. Notably, the interior boasts high ceilings throughout, and the bathrooms are fitted with underfloor heating for added comfort. A separate billiard room further enhances the main house. Upstairs, the master suite offers a generous dressing room, a spacious bathroom, and an office/gym with wooden floors, while two additional bedrooms share another bathroom and feature carpeting. Additional amenities include a two-car garage, a laundry room, a wine cellar, and extra parking in the courtyard. The guest house spans two floors plus a semi-basement and offers on its ground floor a living room with a fireplace, open kitchen, utility room, and toilet; the first floor houses three bedrooms and three bathrooms (two en-suite); and the lowest level provides another living room with a fireplace, kitchen, bedroom, and bathroom. Outside, a heated swimming pool with a cover and a flexible pool pavilion complete the property, which is conveniently located close to La Quinta and other golf courses.
