### Property Description

Just 4 km from the historic white village of Jimena de la Frontera, and only 20 minutes from Sotogrande International School, this exceptional equestrian estate spans 5.8 hectares of gently sloping land. Designed as a high-goal polo yard, it's also just a 3-minute drive from the Iridike Polo grounds.

The property borders the Hozgarganta River and the vast Los Alcornocales Natural Park — the largest cork oak forest in Spain — offering total privacy and a rich natural backdrop.

The main house is full of Andalusian character, featuring a double-height entrance hall with gallery/study, a traditional kitchen and dining room, and a spacious beamed living room with fireplace. Two en-suite bedrooms open directly onto the gardens, while a third guest suite is accessed via an external staircase.

Outside, shaded terraces and quiet corners invite relaxation. The recently refurbished pool area, set on a lower lawned terrace, is finished in beautiful stone and includes a pergola with a sound system and Wi-Fi — ideal for entertaining or unwinding in style.

The charming guest house includes two generous en-suite bedrooms with vaulted ceilings, plus a separate staff room with its own kitchen and bathroom.

Purpose-built stables accommodate up to 28 horses and include two secure tack rooms, grooms' quarters, and a spacious stable yard. A professional-grade gym completes the facilities.
