Property Description

VILLA WITH PANORAMIC SEA VIEWS!

TOTAL PROJECT PRICE: Only €1080,000

Includes plot price (868 sq m) + turnkey construction cost.

BECOME YOUR OWN PROPERTY DEVELOPER

Upon completion, the market value of a similar project will range between €2,000,000 and €2,500,000. The price of a comparable villa from other developers starts at €1,500,000. We empower our clients to become primary developers!

COMPLETE DESIGN AND BUILD CONTROL

The design and layout of each villa are fully customized for every client. You control every stage—from budgeting, designing, and construction to finishes, installations, and interior design. You create your own dream home!

NO ADVANCE PAYMENTS REQUIRED

Construction payment plan: Payments are made after the successful completion of each stage of the project, ensuring transparency and trust throughout the entire process.

This exceptional project is located in La Paloma, surrounded by luxury villas. The plot is in prime condition, ideal for building your dream home, offering uninterrupted sea views. All neighboring properties are fully built, ensuring a peaceful environment without any construction noise.
