Property Description

A unique concept of modern quality design using noble and natural materials to create an eco-friendly and comfortable atmosphere. The 6.000 m² communal area features a huge pool, sun deck and landscaped garden, all in a contemporary style to serve as the perfect frame for our unique modern style houses. The modern façade shows commitment to horizontality in the exterior perspective, considerable thickness in wall structure made of natural stone that offers a grand entrance and great volume. Comfortable, functional and endowed with a long list of details providing exclusivity and identity, the villas translate into a warm and welcoming place, still giving every owner the possibility to implement his own style and personality.
